### Choral Society's Concert.

The Concert to be given by the Choral Society, in combination with the College Glee Club, in the Auditorium on Friday evening, will doubtless be the most artistic Concert ever given by the Society.

No one who can justly boast a taste for good music can afford to miss the beautiful Cantata, "King Rene's Daughter."

Besides this charming composition will appear the Grand Chorus from Tannhauser. This Chorus has been played in Marietta, but will be sung for the first time on Friday evening. The beautiful Bridal Chorus from the Rose Maiden, which appears upon the Sherwood Concert Program, and on all other programs of artistic merit, will be sung. The Love Duet from Faust should be heard, as this number alone would warrant the dignity and quality of the Concert.

The Male Choruses, a new feature on the Society's program, should add a weight and vigor that will speak for itself, as a part of a well balanced program.

The Soloists for the Concert will be Miss Marie Buell, Miss William Ward, Miss Cornelia Wehrs, Mrs. W. H. Ebinger, Mrs. Geo. M. Cooke, Mr. Harry M. Hart and Mr. James Bird.

### TERRIBLE ACCIDENT.

An Old Man Cut in Two at Sistersville Sunday Night.

A terrible accident occurred at Sistersville on Saturday afternoon, in which an old man named Russell was instantly killed. We take the following particulars of the affair from the Sistersville Review:

About 8 o'clock the old gentleman, who lived with his son down below the city was walking up to town on the railroad track, and when about opposite the Carter Oil company's shops he met the shifter in the yards in charge of conductor William Page.

The shifter was shunting some cars in on a switch there and the railroad men did not see Mr. Russell as they "kicked" a car in on No. 2 switch. When the car was started the old man was seen to be in the middle of the track and it seemed to those who saw him, that he was going across the track in an endeavor to get away from the car.

He was about the middle of the track when the car caught him and he was thrown across the frog of the switch and the car passed over his body about the middle, cutting him almost entirely in two.

All those who know anything about the accident say that there could be no blame attached to the trainmen, as they were as cautious as usual in shifting cars and that the accident was due to nothing more or less than the carelessness of Mr. Russell, who was a man of about 75 years, walking on the track.

### Old People.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey or other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding Nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price fifty cents and \$1.00 per bottle at W. H. Styer's Drug Store.

### BABY'S COMING.

Nature intended that even a woman should look forward to the coming of her baby with joy and hope, unclouded by anxiety. Almost painless parturition is quite the usual thing among uncivilized people. Even in our own country it occasionally happens with women in robust health and good condition. It ought to be the rule instead of the exception; and it is a fact that a very large proportion of the usual pain and suffering may be avoided by looking after the mother's general health, and specially strengthening the particular organs concerned in parturition.

Many mothers have been brought through the trying time almost painlessly by the aid of Dr. Pierce's Favorite Prescription. It prepares the system for delivery by imparting the organic strength and elasticity which the mother specially needs; shortens the time of labor and of confinement; promotes the secretion of abundant nourishment for the child and fortifies the entire constitution against the after period of depression and weakness. Its use should begin in the early months of gestation—the earlier the better.

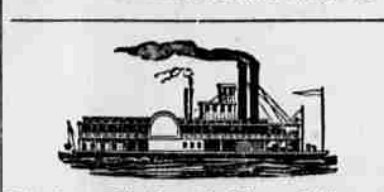

Mrs. FRED HUNT, of Glenville, Schenectady Co., N. Y., says: "I read about Dr. Pierce's Favorite Prescription being so good for a woman with child, so I got two bottles last September, and December 13th, I had a twelve-pound baby girl. When I was confined I was not sick in any way. I did not suffer any pain, and when the child was born I walked into another room and went to bed. I never had an after-pain or any other pain. This is the eighth child and the largest of them all. I suffered everything that flesh could suffer with the other babies. I always had a doctor and then he could not help me very much, but this time my mother and my husband were alone with me. My baby was only seven days old when I got up and dressed and left my room and stayed up all day."

### WILLIAM RALLS MORRISON.

This distinguished democratic statesman claims to be the favorite Illinois candidate for the presidency. He was born in Monroe county, Ill., September 14, 1825; was educated at McKendree college; served as a private in the Mexican war, and subsequently studied law and was admitted to the bar. At the beginning of the civil war he organized the Forty-ninth Illinois regiment, and was wounded at Fort Donelson. While in the field he was elected to congress as a democrat, and served in 1863-65, but was defeated for the Thirty-ninth and Fortieth congresses. He was again chosen in 1872, serving from 1873 until 1887, and in 1873-75 was chairman of the committee on ways and means and author of the "horizontal" tariff reduction bill. In 1887 he was appointed to the Interstate commerce commission of which he is still a member.
